Each copy of the photograph should be signed in ink on the front by the candidate.

N B.—Candidates are warned that if an application is incompletely or wrongly filled or is not accompanied with any one of the documents mentioned under 4(ii) and 4(iii), above without a reasonable explanation for its absence having been given, the application is liable to be rejected and no appeal against its rejection will be entertained. The documents not submitted with the application should be sent soon after the submission of application, and in any case they must reach the Commission's Office within one month after the last date for receipt of applications. Otherwise, the application is liable to be rejected.

Candidates are also warned that they should in no case correct or alter or otherwise tamper with any entry in the documents submitted by them; nor should they submit a tampered document. If there is any inaccuracy or any discrepancy between two or more such documents, an explanation regarding the discrepancy may be submitted separately.
